Hi Mark,

Good Afternoon!

Completed GTM Tags Check for Clients "Wine Searcher" and "Shoe Clinic".

I had few queries which were solved by Nazreen on call. GTM Tags for both the clients are working alright, except for

**Shoe Clinic:**

1. "GA - Event - Button Click - Visit Store Page" when this tag is fired in GTM it also fires the "GA - Event - Link Click - Email"
2. Could not test for "GA - Transaction - eCommerce Success" as it asks for the credit card details.

**Wine Searcher:**

1. Could not find "GA - Event - Link Click - Problems Viewing WS".

Kindly provide access to Go Rentals GTM account.

I am leaving from work.

See you on Tuesday. 😊

Kind Regards,

Rutika

Hi Rutika,

Access to dev server on <https://www-wsdev10.wine-searcher.com> (username: wstesting and password: makeitwork)

And use my login for GA and GTM. "Main View (All Devices - New) – WS" is the main view in analytics.

Filter yourself out as you are checking only for the tags at the moment and not analytics.

Kind regards,
